**"When you believe in yourself, anything is possible."**

**Thursday 19<sup>th</sup> November 2020**

*"You are capable of amazing things."*

## SCHOOL NEWSLETTER

I am hugely grateful to all our staff and families for working together to ensure that the guidance from Scottish Government has been adhered to in relation to COVID-19. This collective effort makes it easier for the school to remain open for all and continue to deliver quality education to our pupils. I know these restrictions are difficult for children as they miss certain activities, including indoor playdates, parties and sleepovers, but it's crucial that we stick to the guidelines until these restrictions are eased.

### ACTIVE SCHOOLS

We are delighted to have Active School involvement once again at Hazlehead. This week saw the return of Wendy Carrick, our amazing Active Schools co-ordinator, who is working with a range of classes to develop different skills.

This term, Wendy will be working with:

- Our P1 pupils to develop their ball skills
- Our P4 pupils to develop their orienteering skills
- Our P5 pupils on bikeability, along with Ms. Murchison (PSA)

### UNIFORM SUPPLIES

As an Eco Friendly school, we have previously encouraged families to donate any uniform that they no longer need. This means that we currently have a large stock of spare uniform. We have created a section on the website for families to request second hand uniform. Please visit <https://www.hazlehead-ps.aberdeen.sch.uk/donated-items/> for further information. Please note that we are unable to accept any donations at this time due to COVID-19.

Please can I remind all parents to ensure that your child has both indoor and outdoor shoes. Also, please make sure that your child brings a warm, waterproof jacket to school as the weather is becoming colder. This is particularly important as we encourage our classes to go outdoors in all weathers.

### CHRISTMAS CELEBRATIONS

We are delighted to inform you that the following events have been confirmed for next month. Our annual Christmas Lunch will take place on Friday 11<sup>th</sup> December. Christmas Jumper day will also take place on Friday 11<sup>th</sup> December for a small donation. The Global Working Group will be collecting for Save the Children as part of their focus on raising awareness of Children's Rights.

**Please remember that the school will be closed for pupils on Friday 20<sup>th</sup> November as this is an In-service Day for staff.** Staff will be working on curriculum development in the areas of Literacy, Numeracy and Health & Wellbeing.
