Additional Information

- P.E kits should be worn to school **Monday** and **Friday**.
- Homework will be posted to the Google Classroom on Thursdays after school. Homework tasks should be uploaded to the classroom by the following Tuesday.
- Assembly will take place on Wednesdays.
- The school library is available for pupils to borrow books for home use, we visit the library every Wednesday and children can select a book to take home. Please ensure books are brought back to school the following Wednesday.
- Children are encouraged to bring water bottles into class, to ensure that they are kept hydrated. It is particularly important that all children bring a bottle as they are not allowed to drink directly from the water fountain due to current restrictions in school. Please **label** your child's water bottle and ensure they only bring **water** to school.
- Please ensure every item of clothing is clearly labelled with your child's name.
- We are making the most of the outdoor environment to learn. We have a timetable slot for the messy garden on **Tuesdays**. As we will continue to access the outdoors in all weathers, please ensure your child is appropriately dressed as the weather changes.
- Snacks should be a manageable size that can be eaten in 15 minutes. They also must be nut free.

Many Thanks for your support.
