

Aberdeen Regional Choir Recruitment Workshops 2024

**Unlock your child's potential and passion for singing with NYCOS
Scotland's leading youth singing organisation!**

Joining a NYCOS Regional choir offers a rich and rewarding experience that nurtures not only musical talent but also personal growth, social skills and creates a supportive and encouraging environment where you will make friends for life.

As well as benefitting from the physical and mental benefits of singing, joining a NYCOS Regional Choir provides outstanding musicianship tuition where children learn to read and write music through fun and engaging games based on the principles of Kodály.
